I have been a CCRHOA Board Member since the 2013-2014 Fiscal Year and would like to submit my bio for the 2019-2020 Fiscal Year. I have served as President during my tenure on the Board and am proud of all the work the Board has accomplished since I have participated as a member.

As a member of the Board we take extreme precautions in fulfilling our fiscal responsibilities. I'm very proud of what we have been able to complete this past year and would like to be a part in continuing these efforts for next year.

As before, I appreciate your current support and will not wavier from my astute values and goals.
